Piper Wahlin

I started playing volleyball in 3rd grade and fell in love with the sport. In my four years at Sandpoint High School, we were Idaho State Champions my freshman and junior years. I graduated in 2010, and was lucky enough to get a full-ride scholarship to play at Weber State University in Ogden, Utah. I played for three years before I unfortunately suffered a career-ending back injury. I decided to

finish a semester early in 2013 with a Professional Sales Degree and a minor in Fashion Merchandising. After taking five years off to heal my back, I began coaching at Sandpoint High School in 2018, joined Mountainside Club shortly after that, and then NIVBC. I'm currently coaching the NIVBC 14's, am a real estate agent, and work for a local interior design company.

Jaclyn Eckerlsey

Jaclyn Eckerlsey grew up in Mead, WA where she played varsity volleyball for Mt. Spokane HS for three years. Her team placed in the state tournament each of the three years, and placed 2nd her senior year. During this time she also played for Splash VBC and played in Junior Olympics 2009. She coached for Performance Point VBC in West Lafayette, IN, running the Little Spikers 8-11 year old program and as an assistant coach for U-14. Most recently she was the assistant coach for NIVBC developmental league. Jaclyn holds an MA in archaeology from BYU and splits her time between raising her daughter, coaching, and working as an artist.

Danielle Meehan

Danielle played indoor volleyball locally at Post Falls High School before continuing on to play volleyball at both Walla Walla Community College and North Idaho College after graduation. She coached for Post Falls Club prior to moving to Sandpoint. Now she enjoys playing volleyball with her family and younger sisters.
