

Your season fees are to cover the costs of coaching expenses, tournament entry fees, gym use, ref/score clinic and equipment. Please note that jerseys & ERVA membership is not included in this cost. Jerseys are changed every 2 seasons to allow players to reuse if they desire. Your initial bill in January will reflect jersey cost. ERVA memberships are to be purchased by players on their own from Evergreen Region.

This membership allows the player to be covered for insurance and to attend sanctioned events. You can visit their website for all details

<https://www.evergreenregion.org/>
